THE APhA-ASP POLICY PROCESS (STEPS 1 - 14)

1. APhA-ASP MEMBER

- This is where the process begins. A member develops an idea on how to change or improve the profession of pharmacy.

2. APhA-ASP CHAPTER

- APhA-ASP Member takes his/her idea to their chapter for discussion.
- Other chapter members are informed, and support is generated for the idea.
- Chapter works together to formulate the two best ideas into proposed resolutions.
- Chapter submits the two best proposed resolutions to the APhA-ASP Regional Delegate for discussion during the Regional Proposed Resolution Webinar one month prior to the Midyear Regional Meeting (MRM).

3. APhA-ASP REGIONAL WEBINAR

- Regional Delegate conducts the Regional Proposed Resolutions Webinar three weeks prior to the MRM.
- Chapter representatives propose their best two proposed resolutions to the other chapter representatives in the region and discuss/debate the ideas.
- Following the Regional Proposed Resolutions Webinar, the Chapter discusses the conversation and then submits their one final proposed resolution to the APhA-ASP Regional Delegate for discussion during the MRM.

4. MIDYEAR REGIONAL MEETING (MRM) POLICY PROPOSAL FORUM (POLICY TOWN HALL)

- Chaired by the Regional Delegate.
- Proposed resolutions are presented to the floor based upon discussion during the Regional Webinar.
- All members and non-members may comment on the proposed resolutions.

5. CHAPTERS VOTE AT THE MRM

- Proposed resolutions from the Policy Proposal Forum are discussed by the Chapter at the MRM.
- Chapter Delegates vote on the proposed resolutions electronically and results of the voting are announced during the Regional Closing Business Session.

7. PROPOSED RESOLUTIONS SENT TO ALL APhA-ASP CHAPTERS
